RBdigital eAudiobooks: Quick Start Guide for iOS

Overview
- iOS 9 and newer.
- Check out up to 10 eAudiobooks at a time for up to 3 weeks each.
- Renewals available.
- Log-in with username and password of your choosing.

First-Time Users Only Registration
2. Tap Register and pick a username and password to set up your account.

Initial App Set-up & Use
1. Download the RBdigital App from the App Store on your iOS device.
2. Open your newly downloaded RBdigital App from your home screen.
3. Set app settings. Select the country. Then enter your username (the one you created during registration). If asked for library, select “State Library of Kansas.” Enter your password and tap log-in.
4. Search for a title to check out. Tap and then tap audiobooks to see the search options. Tap a title to see the description and then tap Check Out.
5. Start Listening! Tap play. Play/pause, back/forward buttons and a progress bar will appear.

To Return a Book
Your book will return automatically at the end of the 3 week loan period. If you wish to return your book early, tap the cover of the book and select Return.

To Renew a Book
Towards the end of your loan period, a renew option will appear. Tap the cover of the book and select Renew. You cannot renew a book if someone else is waiting for it.

Tips & Tricks
- Access your checkouts and see your holds in the menu.
- You can use filters while searching or browsing to see only books currently available for check out, without a wait.
- Downloads will default to WiFi but you can change it to data in the settings. Once downloaded you do not need a WiFi or data connection to listen.
- Holds checkout automatically to you when it is your turn and the system will email you. The app will not currently show your place in line but the RBdigital website will.
- If you are using RBdigital for eMagazines too you can use the same log-in. Switch between the two services under profiles found in the menu.
